- Figma

PROFILE

Final-year Software Engineering undergraduate with practical experience designing and developing full-stack web applications, desktop software, and responsive digital experiences. Skilled in React, Next.js, TypeScript, JavaScript, Node.js, C#, SQL Server, REST APIs, and modern software engineering practices. Built real-world projects including Connectify, an AI-powered influencer collaboration platform; SmartMed, a pharmacy management system; and a professional developer portfolio. Passionate about solving complex business problems through scalable software, clean architecture, and user-focused design. Seeking an opportunity to contribute technical expertise, collaborate with high-performing engineering teams, and build innovative software that creates measurable business value.

SOFTWARE PROJECTS

Connectify

PRESENT

Full-Stack Developer | Personal Project

- Built an AI-powered influencer collaboration platform.
- Developed using React, TypeScript, Tailwind CSS, and Convex.
- Implemented authentication, dashboards, and responsive UI.

CreatorOS

2026

Lead Full-Stack Developer | Personal SaaS Project

- Designed and developed an AI-powered social media management platform for creators and teams.
- Implemented authentication, workspace management, AI-assisted content generation, scheduling, analytics, and team collaboration features.
- Integrated cloud backend services, REST APIs, and modern software engineering practices.

WORK EXPERIENCE

Aarash Tech

Jan 2025 - Jul 2026

Full-Stack Developer

- Built responsive user interfaces and reusable frontend components.
- Worked with Git and GitHub for version control and team collaboration.
- Collaborated with designers and developers in an Agile development environment.
- Developed full-stack web applications using React, Node.js, and PostgreSQL.

EDUCATION

Bachelor of Software Engineering

2026 - 2027 Present

london metropolitan university

Higher National Diploma

2024 - 2026

ESU University

Diploma Information Technology & English

2024

e-soft metro campus
